The deadline for registration and submitting abstract is **April 30, 2025**.

Abstracts must be written in English and should briefly present the essential results of the research, previously unpublished. To emphasize the contribution of the author(s), the abstract should include the research topic, research questions, methods used, results obtained, data analysis, and conclusions, without describing them in detail. The abstract should be approximately **250 to 300 words**, be comprehensive, accurate, carefully written.

**Keywords:** Select 4-6 key terms (words or phrases), separate terms with commas.

**JEL Classification:** For JEL Classification. Access [JEL Classification System](#) for reference.

**Please follow the requested format of the abstract template:**

Use A4 pages (21 x 29 cm) with 2 cm margins on the top, bottom, left, and right, Times New Roman font, 12 pt., line spacing 1.15, justified text alignment.

Any abstract that does not comply with the format may be rejected. It is recommended to submit the abstract in electronic form via conference website ('abstract submission' link). The submitted abstract must be a Microsoft Office Word file.

**References (optional)**

The list of references should be placed at the end in alphabetically ordered, using **Times New Roman, 11 pt.**
